*Mr. Ron Eisenhour, Consultant
Eisenhour Church Furnishings*

Dear Ron,

As Chairman of the Property Committee of the First Presbyterian Church, Beaver, Pa., I wish to thank you and commend you for the excellent work your craftsmen performed in refinishing the pews, related furniture and pew upholstering in our church sanctuary.

All of the workers involved recognized our need to return to our Sanctuary for services scheduled for the first Sunday in September in order to proceed with our fall church program. Your concern in adhering to this time schedule was very much appreciated. You will be interested in some of the comments made by members of the congregation:

- (1) "Didn't realize we needed a "new-look" - perfectly beautiful."*
- (2) "Carving on the pulpit has gone unnoticed."*
- (3) "The new finish of the furniture blends beautifully with the darker woods."*
- (4) "Pews are magnificent"*
- (5) "My back feels much better due to firm upholstering."*

It was a personal pleasure to work with you, Ron. The committee members and I were more than pleased with the phases of the project for which you were responsible.

Sincerely,

Alice F. Gault
Property Chairman
