Thank you for the professionalism witnessed during the execution of work for the above referenced project - specifically the following:

1. Refinishing of pews turned out very well and accomplished with minimum disruption.
2. Custom built church appointments fabricated by Mel Draper are excellent.
3. Light fixtures and chairs are the quality anticipated and serve well.

Should you need a recommendation, affirmation, confirmation or such for future clients, do not hesitate to call or use our firm as a reference.
