Dear Mr. Eisenhour:

On behalf of the people of St. John Lutheran Church, this letter comes to you with two purposes. First, we wish to thank you, officially, for the work done by you and Eisenhour Church Furnishings during our recent remodeling project. Those of us who have been working with you and D.A.S. these past several months are ever so appreciative of all that has been done for us and are delighted as the results of everyone's efforts have been unfolding.

Now as the project nears completion we are with great anticipation looking forward to the dedicatory service and celebration that have been scheduled for Sunday, February 22nd. As a representative of a firm that was involved with this project we hope that you will be able to join us for the festivities. Our plans call for a 10:00 AM worship service at which the facility will be formally rededicated. Our guest speaker in the morning will be the Rev. John Davidson, a son of St. John congregation and currently also a Vice President of the Ohio District-LCMS. There will be a reception following the service.

Later that day from 3:00 – 5:00 PM there will be an open house to which we are inviting the greater community, our vendors, project workers, city officials, etc. We would be delighted to have you there for the ribbon cutting ceremony at 3:00. The ceremony will be brief.

Once again, thank you and we hope to see you on the 22nd.

In Christ Jesus,

Rev. Allen R. Trapp
