Dear Mr. Eisenhower,

Please know our appreciation for your prompt response and efforts in regards to our inquiry for having our church pews refinished.

Everyone here at the Andover Church of Christ is very pleased with the work that has been done.

In light of the painstaking efforts involved with re-finishing church pews we would particularly like to compliment your associates, Kyle Robbins and his crew, for the professionalism and courtesy they demonstrated while they were here.

We invite anyone considering your services to inspect our pews for the quality that you have restored to them.

Sincerely yours,

Leroy McNeilly,
Chairman of the Board
