A CHURCH WHERE YOU AND YOUR BIBLE ARE WELCOME!

Eisenhour Church Furnishings

Dear Sirs:

We want to thank you for your prompt and efficient handling of the installation of padding on our church pew seats. Your sales approach was handled nicely; your installers were considerate of our schedule of building use; they did a very neat and attractive job with the installation and the finished pew padding is very attractive and comfortable.

It has been a pleasure to work with you. Thanks again.

Sincerely yours,

Ellis E. Wesner
