Mr. Ron Eisenhour
Eisenhour Church Furnishings

Dear Mr. Eisenhour,

The people of First Saint John want to extend their thanks to you and your company for the addition of our new pew cushions. The beauty of our sanctuary has definitely been enhanced. It was a pleasure to work with both Aiaw R. Ward and James McClure, who were extremely professional in their attitude and workmanship. We would like to congratulate you on employing two such fine young men.

Your company has done an outstanding job for First Saint John, and we will not hesitate to recommend your services.

We thank you again.

Sincerely,

Harvey Seeger
