Dear Ron,

I would like to send my sincerest thanks for the timely delivery of the kneelers. Fr. Ron had just asked me to find out a delivery time for his bulletin column and as I was beginning to call you, the truck was pulling into the parking lot. This was about four weeks ahead of schedule.

I fully expected that it would take two to three weeks to install the 182 kneelers. On Monday evening myself with a husband and wife volunteer, we were able to install all of the 364 brackets. No small task with the closeness of the pews and 26 different lengths. The fixtures that you sent worked flawlessly after I adjusted them for our pews. On Tuesday morning another two volunteers started laying out the kneelers and we were able to have all kneelers installed by 5:00 pm.

Fr. Ron was speechless. We are calling it a Miracle.

Thank You!

In Christ,
