Dear Mr. Eisenhower,

I wanted to write to you and thank you for the excellent job that your crew did while upholstering our pews.

The two men, **Paul Miller** and **Gary Truance**, conducted themselves very professionally, politely and efficiently. You are blessed to have two workers like these two men. As they worked, they were knowledgeable, friendly and demonstrated solid Christian character through their work ethic. It was a pleasure having them at our church.

Please copy this letter and place into their personnel folder. Thanks again!

Yours in Christ,

Reverend Dennis B. Moriarty
