Dear Friends:

We are extremely pleased with the work your company did with the pews in our church's sanctuary. You padded the seats and backs of our pews and also padded the kneeling benches at our altar railing. The work added a distinct new color and beauty to our sanctuary.

The work was done with great expertise, done quickly, and done according to our expectations. We thank you for your kindness and understanding that you shared with us during the entire time.

If any other church would want to ask our opinion of your company, please feel free to give them our address or phone number.

Respectfully,

Thomas N. Thomas
Pastor
